Broadening your horizons?

Have you researched our Education loans?

Whether you're leaving the nest for the first time to embark on your third level journey, or you're returning to third level to try your hand at something new. Why not chat to your local Credit Union in Leitrim about a flexible Education loan today.

At the credit union, we look at things differently:

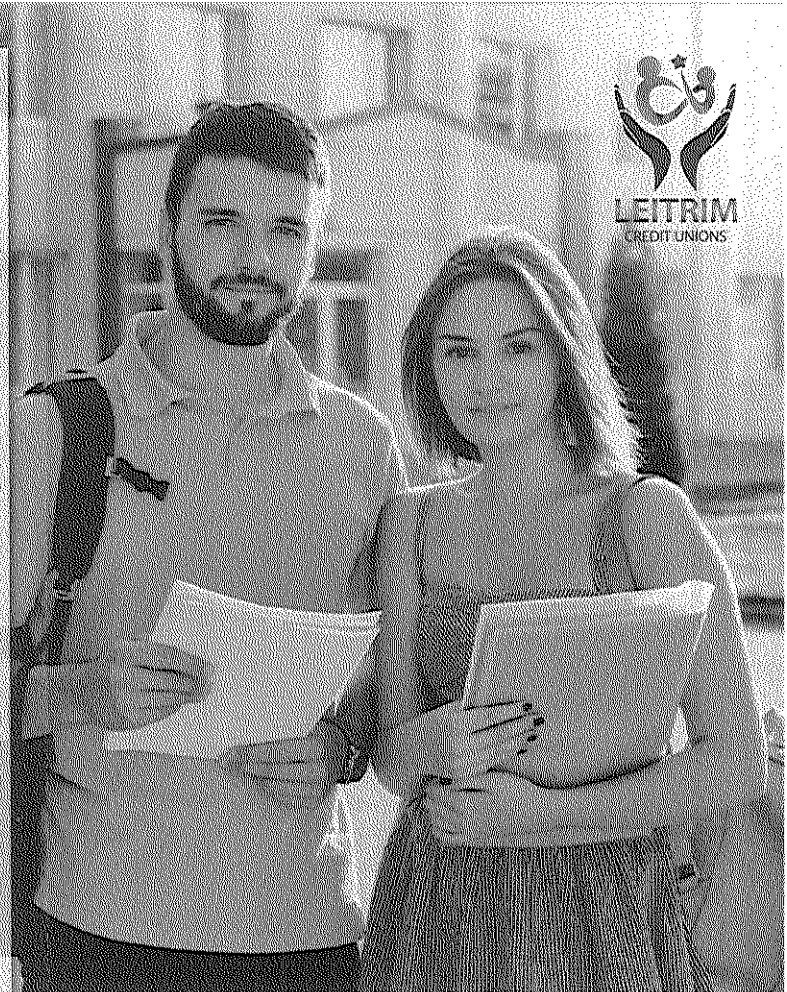

1. Owned by you: Every credit union is owned by its members, the people who save with it and borrow from it
2. Local: All decisions are taken at local level in the best interest of all members
3. Member service: Credit unions excel in the personal service which they provide to members
4. Flexible: You can pay off your loan early, make additional lump sum repayments or increase your regular repayments, all without penalty. Generally there is no minimum loan period.
5. Loan protection: Loans are insured by the credit union's own policy at no direct cost to you. This is designed to pay off a loan in the event of a borrower's death – subject to terms, conditions and eligibility criteria

Loans are subject to approval. Terms and conditions apply. If you do not meet the repayments on your loan, your account will go into arrears. This may affect your credit rating which may limit your ability to access credit in the future. Credit unions in the Republic of Ireland are regulated by the Central Bank of Ireland.

Mr P.J. Martin (Josie)

- The Late Josie Martin was a leading light in the development of County Leitrim. A man of great vision long before his time. Josie was County Development Officer for Leitrim for 23 years.
- During his time as County Development Officer, he worked tirelessly for the County and much credit can be attributed to him for the development of the county as it is today. Back in the seventies, Josie introduced the idea of re-opening the Ballinamore/Ballyconnell Canal which today is a flourishing tourist business. He was the driving force in the formation of Leitrim's first Credit Union in Ballinamore, which was also Connacht's first Credit Union.
- Throughout his life, Josie showed compassion, enthusiasm and encouragement to all. A good listener and confidante, with his quiet disposition, Josie's good humour in the face of adversity and his ability to carry on regardless inspired many.
- Josie served on many committees, such as the Leitrim County Enterprise Fund (Secretary/Regional), Arigna Enterprise Fund, North West Regional Tourism Organisation, Leitrim Tourism Council, MRD Carrick on Shannon, Director of Leitrim Citizens Information Centre.

As Josie did a lot of work and had great belief in young people in the county, it is appropriate that a scholarship for young people starting college be named in his memory. Josie passed away on 8th November 2004. Ar Dheis De go raibh an Anam.
